## Virtual Gifts

Solve all your present-buying problems – and help make the Sick Kids even better! Virtual gifts are a great way of giving a unique present. By purchasing one, you will be giving two gifts – a gift to your family or friend and a gift that will bring a smile to children in hospital and their families. There are gifts to suit all budgets and occasions such as Christmas, birthdays and weddings. For each gift you buy we will send you a special gift card for the recipient.
